

Still preparing time card data manually for payroll?

There IS an easier way!

With automated timekeeping, preparing time card data for payroll is a matter of a few clicks!

Looking for a timekeeping solution that can remove wasted labor, reduce your labor costs AND eliminate "buddy punching?"

Try SDP's biometric solution for 60 DAYS FREE!

Whether it's the convenience of gathering punch data in a fraction of the time or simply minimizing the cost of human error ... with automated timekeeping submitting payroll doesn't get much easier.
